IA Scottish Information Day 2023 Saturday 4 November 2023

IA's Scottish Information Day 2023 will be held at Stirling Highland Hotel, McLaren Suite, Spittal Street, Stirling, FK8 1DU from 11.00 am to 18.00. This event is open to both members and non-members.

We have chosen Stirling as the location due to the excellent public transport and road links, making it easy to get to from the length and breadth of the county.

We are looking forward to catching up with old friends and acquaintances, whilst also meeting and welcoming new members and external interested parties. The day will include a workshop, guest speakers and plenary session as well as attendance by some of the appliance companies. With lunch and refreshments included in the day booking, it will be both an informative and a social event, and we hope you will have availability to join us. Some of us will be taking the opportunity to have dinner in the hotel in the evening and you are very welcome to join us. Cost will be £25 per person. We hope that you will share this information as widely as possible to help with its promotion and ensure the event is successful.
